

# JOINING THE CLUB

Membership is open to everyone aged 18 or over who supports the principles of the Conservative Party.

The Club itself is not a political organization and exists solely for the social entertainment of its Members. Joining does NOT make you a member of the Conservative Party but you will be given information about the local Party Association.

To join the Club you need to be proposed and seconded by two existing Members. However, if you do not know any current Members, a short meeting with the Club Secretary will usually suffice to enable us to proceed with your application.

On payment of the required joining fee together with the annual subscription, you will be given Member Elect Membership, which will enable you to use the Club facilities immediately. You are then invited to a New Members night, usually at the beginning of each month, where you will be invited to meet the Committee and Officers of the Club. It is at this meeting that your acceptance as a member will be finalised and you will be issued with your Membership pack.

Members may introduce Guests into the Club for a payment of £1.00 per person. No person shall be admitted as a guest more than 4 times in any calendar month.

Visitors to New Milton who normally live over 25 miles from the Club are welcome as temporary Members.

Application forms for full, or temporary Membership can be found on our website along with details of fees and subscriptions. Alternatively, please contact the Club office or speak to the Club Steward for details.

The Club restaurant is first class. Our Chefs produce a wide range of freshly cooked meals daily from 11:30am Monday to Sunday and on Friday evenings from 6pm. As well as a regular menu, there are daily specials - something for all tastes.

Most months the Club holds a special mid-week Themed Dinner, usually on a Tuesday. Full details of these dinners can be found on the Club notice board and website.

We have regular activities throughout the month ranging from quiz nights, bingo and whist to line dancing. The Club also has a popular choir -- The ConChord Singers, who raise money throughout the year for local charities.

There is regular free live entertainment on Saturday evenings as well as at our monthly themed dinners, featuring a variety of singers and music styles.

## SPORTS FACILITIES

There are outstanding Snooker and Billiards facilities with our four championship sized tables, as well as a pool table. We have facilities for darts, dominoes, crib and 'shove'em', and hold skittles competitions most months.
